

FLASHBACK: In his 1995 State of the Union, Bill Clinton speaks out about Illegal Aliens And Refugees

Liberals have collectively lost their minds over President Trump's swift and decisive efforts to get control of the illegal alien problem that is plaguing the United States.

BIDEN HAS OPENED THE BORDER WIDE OPEN.

WHICH MAKES MORE SENSE?

The left seems to think that Trump is the first president to address the problem that illegals pose to America but that is absolutely incorrect. But liberals don't pay attention to facts and after the last 8 years of Obama, what were once semi normal people now have turned into completely insane lunatics.

It's common knowledge that the left idolizes Bill Clinton- perhaps not as much as they worship their Muslim messiah Barack HUSSEIN Obama but Slick Willy is definitely their second favorite president.

Let's take a trip down memory lane and see what President Clinton had to say about illegals, which by the way was applauded by the Dems.

"All Americans, not only the states most heavily affected, but in every place in this country are rightly disturbed by the large numbers of illegal aliens entering our country.

The jobs they hold might otherwise be held by citizens or legal immigrants... the public service they use impose burdens on our taxpayers... that's why our administration has moved aggressively to secure our borders more... by hiring a record number of border guards... by cracking down on illegal hiring... by barring welfare benefits to illegal aliens.

We will try to do more to speed the deportation of illegal aliens who are arrested for crimes.

We are a nation of immigrants, but we are also a nation of laws.

It is wrong and ultimately self defeating for a nation of immigrants to permit the kind of abuse of our immigration laws we have seen in recent years and we must do more to stop it."

Clinton's words were met with a standing ovation in Congress and liberals completely supported his stand.

So what happened?

Why do the libs WANT illegals in America now?

One word- Obama.
