

Surely you have acquaintances and friends that ask the question: did a Palestinian state ever exist in the geographic area known as Israel. You can send them this historical timeline that confirms there was never a Palestine state:

- 1) Before the modern state of Israel, there was a British mandate, not a Palestinian state.
 - 2) Before the British mandate, the Ottoman Empire existed, not a Palestinian state.
 - 3) Before the Ottoman Empire, there was a fully Islamic state of Egypt, not a Palestinian state.
 - 4) Before the Islamic State of Egypt, the Empire of Ayubid existed, not a Palestinian state. Gofri IV of Bolansky, known as Godfrey de Bullion, conquered Jerusalem in 1099.
 - 5) Before the Empire of Ayubid there was the Christian Kingdom of Jerusalem, not a Palestinian state.
 - 6) Before the Kingdom of Jerusalem there were Umayyad and Fatimid empires, not a Palestinian state.
 - 7) Before the empires of the Umayyad and Fatimid, there was the Byzantine Empire, not a Palestinian state.
 - 8) Before the Byzantine Empire, there was the Roman Empire, not a Palestinian state.
 - 9) Before the Roman Empire, the Hasmonean state existed, not a Palestinian state.
 - 10) Before the state of Hashmonean, it was a Seleucid state, not a Palestinian state.
 - 11) Before the Slavic Empire, the empire of Alexander Macedonia existed, not a Palestinian state.
 - 12) Before the empire of Alexander of Macedonia, the Persian Empire existed, not a Palestinian state.
 - 13) Before the Persian Empire, the Babylonian Empire existed, not a Palestinian state.
 - 14) Before the Empire of Babylon there were kingdoms of Israel and Judah was not a Palestinian state.
 - 15) Before the kingdoms of Israel and Judah was the kingdom of Israel, not a state of Palestine.
 - 16) Before the Kingdom of Israel there was a theocracy of twelve tribalism of Israel, not of a Palestinian state.
 - 17) Before the theocracy of twelve generations of Israel, there was an agglomeration of independent Canaan cities, not a Palestinian state.
- In fact, in this corner of the earth there was everything except a Palestinian state.
